# Gateway to The American Revolution

white male population did not have the same rights as the rest of the population.

- There were more democratic ideas and more freedom to prosper by owning land and starting businesses.
- Terms of equality of birth.

... and there was little attempt to tax the colonies.

The French and Spanish crowns also, in practice, allowed their colonists freedom from control.

Spanish colonies had a relatively small population and many isolated outposts. They were ruled as part of the Spanish Empire in the new world by viceroys. There was little population growth and limited economic diversity.

... colonies, did not have freedom.

... ruled directly from France. Its population had not expanded as rapidly as the British colonies, which had been founded at different times for different reasons.

... economic activity, more government and higher taxes. The British colonies had been founded at different times for different reasons. In the Middle colonies and New England, the population was more diverse than in the Southern colonies, which were more homogeneous.

### Religion and culture

- French and Spanish areas were predominantly Catholic, though some Protestants were important.

### Expansion

- There was a great desire to expand westward.

### Economic diversity

- There were no substantial manufacturing centers in the colonies.
- Chamber and New York had some small-scale manufacturing.

... territories met.

The population growth in the thirteen colonies led to pressure to move west and find new lands to settle.

... with the growth of schools and colleges, the impact of Enlightenment thinkers from Europe, and the rise of a middle class.

such as Benjamin Franklin.

... American Revolution.
